The Omaha Masters Swim Program **requires the first 4 items** (you are encouraged to do #5):

1. You must be a current United States Masters Swimming (USMS) member. Register for USMS on-line - www.usms.org, click on the "Join/ Renew" button and follow the steps to register.
2. Pay an annual Administrative Fee of \$30. The Administrative fee is waived for college students.
3. Fill out this information sheet including your name, address, birthday, and e-mail.
4. Pay the Coaching Fees for the program. You can pay monthly (\$53), quarterly (\$130) or for the entire year (\$498). The monthly fee is by the month, not for a 30-day cycle. You determine the number of days that you want to swim per month. The Coaching fees remain the same regardless of if you swim 4 times per month or 24 times per month.
 The Kroc Center members receive a coaching fee discount. The fees are paid monthly (\$37), quarterly (\$105) or for the entire year (\$390). Kroc members must also pay the annual fee of \$30.
5. Consider "giving back" to the sport of swimming!! You can volunteer to help with free Adult Swim Lessons (ask Sue Nutty). You can volunteer at a swim meet - Masters, College, High School, Age Group, YMCA, or Summer League. You can be a web master for a swim program. You can be a volunteer coach for our program. You can mentor one of our new swimmers. "Giving back" is an important component to the philosophy of this program!
