The Omaha Masters program requires 4 things:

1. You must be a current United States Masters Swimming (USMS) member. Registering for USMS can be done on-line by going to www.usms.org, click on the "Join/ Renew" button and follow the steps to register.
2. You will need to pay an annual Administrative Fee for the program and fill out the information sheet; name, address, birthday, and e-mail. The fee is \$20, with checks made payable to "Samland." College students will have the Administrative fee waived.
3. You will need to pay Coaching Fees for the program. The quarterly fee is \$110. There is an option to pay monthly at \$45/month. The monthly fee is determined on the monthly calendar, not as a 30 day cycle. Each individual determines the number of days they want to swim per month. Coaching fees will not be pro-rated, if you swim 1 day or 20 days the financial responsibility remains the same.
If you are a member of The Kroc Center the monthly fee is \$25.
4. Finally, you are requested to "give back" to the sport of swimming!! This is not mandatory nor will it be monitored. There are many options for giving. You can volunteer to help with the free Adult Swim Lessons. You can become a booster club member. You can volunteer at a swim meet - Masters, College, High School, Age Group, YMCA or Summer League. You can be a web master for a swim program. You can be a volunteer coach for our program. Or it can be as simple as "putting in" lane ropes or "taking out" lane ropes for our own swim practices. "Giving back" is important to the philosophy of this program!
